EB Docket No 00-156

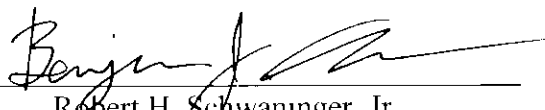

Before The Commission

Request for Oral Argument

DLB Enterprises, Inc ("DLB") hereby timely¹ files this Request for Oral Argument in accord with the Commission's rules. DLB desires the opportunity to advocate its position orally before the Commission and feels that its oral presentation will assist the Commission in resolving the issues presented. Furthermore, as disqualification (the "death penalty") has been suggested as the penalty in this matter, DLB feels that by right it is entitled to a full opportunity to advocate its position. As the interests of the defendants in this matter are closely related, DLB is willing to present its oral argument individually or jointly with co-defendants.

Respectfully submitted,
DLB Enterprises, Inc
